The letters were to be sent to the Congregations Anshei Lebavitz, Shearis Yisroel, Toras Chiam and Paoli Tsedek. Bro. D. A general body meeting was held this date with Chairman Wm. Hoffman presiding and 31 members in attendance. The minutes of the last board meeting were read and approved. The chairman thanked all for coming. Bro. Falcof asked regarding the Succah repairs and Chairman Hoffman told him the reason for the repairs. No member was reported sick, and Bros. Fader & Mangelsee reported they had visited Bro. Simon, and also with Bro. Sharff. The chairman remarked about the report in [illegible] that Bro. Louis Zimble had for the Shule, that is, by payment of dues, also a donation sent from [illegible]. Talking in general, the chairman thanked those members who helped form the cemetery association, as it is one of the foundations of the Shule. He also explained the financial condition of the Shule and said it was a hard job to have both ends meet, but the results so far were quite good. The question of having board meetings once a month was taken up and it was decided that it would take effect after the installation, which will take place on Sunday Jan. 25, 1953. The chairman read several of the articles in the document regarding the with-holding of a certain amount of funds for the purpose of creating an endowment fund and explained the meaning of the articles, showing that it would benefit the Shule financially. He also told of the $300 still outstanding from the Yom Kippur appeal and said it was coming in slowly, also it was hard work collecting the money for the up-keep of the lots. He also talked about building up the brotherhood and hoped it would be successful. He again spoke of the proposition that he would like to have put through - that is the sinking fund, and after Bro. I. Kleinowitz asked for information on the subject, the chairman explained it more thoroughly. Bro. Falcof moved to accept the proposition of the chairman and it was seconded by Bro. Perkins. Bro. I. Kaplan asked about building a chapel and the chairman said it would be taken care of in time. The proposition was passed by a majority vote, each member being recorded. On the question of the election of officers for the coming year, Bro. Falcof made a motion, which was seconded by Bro. Hooker, for the Secy to cast one ballot, declaring the present officers to be the same ones next year and it was pas[illegible]

into effect. The chairman read a summary of the income and expenses of the past year and hoped that the financial condition of the Shule would be improved through the workings of this proposition. There was quite a bit of talk regarding the installation of the officers and upon a motion by Bro. Falcof and seconded by Bro. J. Kravitz it was decided to have the installation on Sunday Jan. 2-, 1952. The following are on the committee :- Mr. Hooker, Chairman, Bros. J. Kravitz, A. Levine, J. Levine, Sam Cohen, D. General body meeting – Monday July 27, 1953.

A general body meeting was called to order by Chairman Wm. Hoffman and the following members also in attendance: Vice-chairman Jacob Gordon, Bros. I. & P. Kravitz, Meyer Stone, Eli Smith, I. Gordon, I. Bravrman, S. Falcof, Wolf Cohen, S. Cohen, Mr. Saslavsky, I. Kaplan, Mr. Eckman, S. Alperin, Mr. Shatz and Mr. Zablotsky.

The Chairman thanked all for coming on such a warm night and congratulated them for showing such interest. The minutes of the last board meeting were read and approved by the body.

Chairman Hoffman explained the reason for calling this meeting, that is to try and get some-one to volunteer to give his services for the holydays, also to get some one to help him on the cemetery; At this time, Mr. Zaslavsky, volunteered his services for the holydays and he was given a standing vote of thanks for the same. The chairman again said that if people cannot ~~or will not pay~~ pay for a seat for the holydays, then the Shule will have to big enough to take them in. It was decided to have $3 added to the seat-holders as in former years. The chairman pointed out that notwithstanding the fact that $1600. was taken from the cemetery fund in the past year, and $1400. from the tablets, the Shule was still in good condition. Bros. S. Falcof, Eli Smith and Mr. Zaslavsky volunteered to help the chairman on the cemetery, also ~~Mr.~~ Bro. S. Cohen.

The chairman reported progress on the bridge situation, and said he had not given up hope of finding ways to paint the hall up-stairs; also, he said he would get several men to submit bids for cleaning the hall up-stairs. Bro. S. Falcof is also going to see what he can do on the situation.

Bro. I. Kravitz suggested that a teacher be procured to teach children, hoping eventually to have more Bar-Mitzvas in the Shule, but it was not thought a good plan at this time.

Chairman Wm. Hoffman explained to the members the bad condition of the heating system under which the Rov was living and suggested that the Chevra Mishna turn over the money that they generally give to the Shule to the Rov, thus making it possible to install an oil burner in his house. This was made effective by a motion by Bro. Eli Smith and seconded by Bro. M. Flora to turn over ~~the~~ $5. per month of the Chevra Mishna money to the Rov. Rov Kalman Lichtenstein suggested that an appeal be made on Shavuos for funds for needy transients and after some talk on the matter Bro. Hooker suggested that the money in the safe be given to the Rov for distribution. Many of the members gave their opinions on how the distribution of money for the worthy needy be taken care of, but it was decided to continue the way it is being taken care of at the present time. Over $40. was taken from the safe and given to the Rov for distribution. At this time the Rov thanked the members for their generosity in seeing to it that his living conditions and comfort will be helped a great deal by their timely efforts ~~in~~ installing an oil burner in his house so that he and his family might be more comfortable. The situation brought on by the Shamos not giving people receipts for money given to the Shule will be taken care of by the Chairman. At this time Bro. Grandfather Morris Hooker gave the members a slight repast in honor of his first grandson and received the congratulations of all with thanks.

Very little business was done at the board meeting
held this date with the Chairman Wm. Hoffman, presiding
and with the following members in attendance, Rev.
Kalman Lichtenstein, Vice Chairman Jacob Gordon,
both secretarys, and Bros. M. Stone, J. Kaplan, I. Gordon,
J. Braverman, F. Kligman, I. Kranitz, S. Jakob, S. Cohen
M. Hooker, and A. Yaslavsky. The records of the last
board meeting were read and approved. Chairman
Hoffman reported that he inspected the hall up-stairs
after the heavy rain fall of recent date, and found
only one place that a little rain had seeped through.
On the painting bids for the up-stairs hall, the chairman
reported that there was one bid of $10,000, another at $3,500
and another at $1600. Bro. Hooker read the painters
declaration of work to be done by him, and it was
decided to have the $1600 painter call at the shule in the
near future and describe more fully the work
that he intends to do, through the suggestion
of Bro. F. Kligman. Various members spoke
on the paint situation. At the suggestion
of Bro. I. Kranitz, the recording secretary was
instructed to ~~[illegible]~~ send a letter to Com. [illegible]
[illegible] of the Public Works of the Commonwealth,
to ascertain the status of the synagogue as
pertaining to the bridge extension.
The chairman told of contacting Mr. L. A. Smith of the
iron-works, and after telling him of the painting
situation in the shule, was presented with a
check for $100. Likewise the Lincoln National Bank
gave the chairman a check for $50. Chairman
Hoffman also told of getting Mr. Stiegel's name
for the memorial tablet. The financial con-
dition of the synagogue was dwelt upon at
great length by the chairman, who pointed out
that ways and means would have to be found
to bring in more revenue to the synagogue.

The meeting was called to order by Chairman Hoffman, and the following officers and members were in attendance; Vice-chairman Jacob Gordon, both secretarys, and Bros. M. Stone, S. Sadavsky, D. Kaplan, D. Kravitz and S. Faleef. The records of the last regular board meeting were read and approved. Vice-chairman Jacob Gordon reported that he and Rov. Kalman Lichtenstein had visited the late brother Jacob Sharff at the hospital. The chairman reported on the progress of the painting situation and said that in addition to painting the shule up-stairs, he had told the painter to paint the halls and walls both upstairs and down-stairs, plus painting the room down-stairs that is used for daily prayers, for a total of $320.0. Bro. D. Kravitz remarked that he didn't think the chairman had done the proper thing by the members of the board, by giving away a $320.0 job without consulting them and getting their sanction on the matter. Several other members voiced their opinions on the matter, and the chairman declared to the members that what he was doing was for the best interests of the shule, as he thot the price was reasonable and would be done in a very satisfactory manner, and with the sanction of the body. The telephone, gas and laundry bills were ordered paid and the balance of the oil-bill was ordered held up. Rov Kalman Lichtenstein asked through the chairman that an appeal be made on Sharos now for the Yeshiva, but the chairman told the Rov that he could not make two appeals a year, and it was changed that an appeal should be made on Sharous for funds for the needy, and upon a motion by Bro. S. Faleef and seconded by Secy Margolskee, it was voted to close.

Chairman Hoffman said he would speak to the painters to re-finish the out-side doors. The roofer had to take out a ball from the gutter and other minor repairs. The chairman gave a report on the money he received from the taking care of the graves and asked for more co-operation from the members in the sale of lots and names for the tablet, and commented on the fact that new runners were needed for the up-stairs hall. On the financial condition of the shule, the chairman explained how the expenses of the shule were being taken care of by the cemetery fund and not from the money from the Bridge Authority. Painting of the rest of the rooms in the shule and basement was talked about and upon a motion by Bro. Saslavsky and seconded by Bro. Yaleof that a complete paint job be done not exceeding $1,000, also the ladies and men's room, with the consent of the members. Passed. On good and welfare, the chairman suggested that a good deal of thought be given towards building a chapel, as it was very necessary. Shamos Goldberg reported that the janitor was getting lax in his work, owing to sick-ness and was not very co-operative and the matter was given serious consideration, with another janitor in mind. A meeting of the board was called to order this date with Chairman Wm. Hoffman presiding and the following members in attendance, Rov. Kalman Lichtenstein, Vice-Chairman Jacob Gordon, both secretaries, Bros. I. Kaplan, I. Braverman, L. Brown, S. Saslavsky, and I. Gordon. The minutes of the last board meeting were read and approved. No one was reported sick. Chairman of the building committee I. Kaplan said that the painters were still working and were doing a good job. The laundry bill, printing and the recording secretaries bills were also paid. The chairman said that he had spoken at the Ladies Auxiliary meeting regarding organizations using the facilities of the shule should reciprocate the privilege and recompense the shule. He said he had hopes that such would be the case. Bro. S. Saslavsky suggested while talking on the cemetery problem, that it would be a very good idea to call a meeting of the cemetery members, which was thought of favorably and the Chairman instructed the recording secretary to notify the members. The chairman also suggested that a general body meeting be called to talk over the subject of a chapel but it was not thought advisable at this time. He said he had two bids for the chapel for $ 8,500 and $9,000, but thought he could get some one else to bid around $6,000. Many of the members also spoke on the subject.
On good and welfare the chairman said that to the best of his knowledge, the Walnut St. Shule was as good and perhaps better financially ~~and~~ than many other synagogues and hoped that with more co-operation the shule could be still better. Balance June 14-1954 - $ 358.42

General meeting Mon. Jul. 26, 1954.

Chairman Wm. Hoffman presided at the general meeting with the following members in attendance, Vice-Chairman Jacob Gordon, both secretarys, Bros. M. Stone, S. Saslavsky, S. Katz, I. Kaplan, M. Perkins, L. Garber, Mr. Shatz, S. Falkof, L. Brown, and I. Gordon. The minutes of the last board meeting were read and approved. Chairman Hoffman explained the purpose for which the general meeting was called and gave the members all the information he had on hand relative to the building of a chapel. He said he had two bids and would get more before the contract would be given to build the chapel. Electricity and water were very near the cemetery and the chapel would fill a necessary want. He said he had sold 15 lots and had received a substantial deposit for the same. He outlined to the body how the money on deposit would be safe-guarded by using it only for emergencies, as the money expended to date, such as

painting and other current expenses had been used principally from the cemetery fund, and after talking further on the benefit the chapel would be, he recommended that a chapel be built. Bro. P. Kravitz reminded the chairman that authority had been given him to get facts and figures to build a chapel at the general meeting held on Sunday March 21, 1954, but the chairman needed this body's sanction to build a chapel. Bro. Falkof asked that at least 3 bids be had, but the chairman advised Bro. Falkof that he will get at least six bids if possible, and also that plans by an architect would be had at the earliest time. Bro. Falkof then made a motion, which was seconded by Bro. H. Perkons to have a chapel built. On the vote Bros. I. Kaplan, J. Gordon, M. Stone, S. Saslavsky, S. Katz, H. Perkons, L. Gaiber, Shatz, S. Falkof, L. Brown, I. Gordon and M. Margolskee voted yes. Bro. P. Kravitz gave the negative vote and the order was passed.

After a discussion regarding plans for the chapel a motion was made by Bro. Falkof, seconded by Bro. L. Brown that an architect be contacted to get plans for the chapel. This measure was also passed by the body. Bro. S. Saslavsky suggested that a committee of 5 be appointed by the chair to help and advise the chairman in the construction of the chapel and the suggestion was accepted. On the committee are Bros. I. Kaplan, L. Brown, J. Gordon, the recording secretary and the chairman. The chairman spoke at great length upon the necessity of having assistance on the cemetery during the month of Elul and Bros. M. Stone, J. Gordon, I. Gordon, L. Brown, Falkof and Mrs. Hoffman very generously offered their services to assist the chairman at that time. All bills were ordered paid and the glazier took off $25. from his bill of $200. saying that he had intended to make a donation. The chairman gave an accounting of the money on deposit at the various banks which were as follows: Cambridge bank, $18,000 building fund, saving account, $3,732.62 — cemetery fund, checking account, $3,623.15 also there was a balance due the painter of $450. from the cost of the entire job which was $1350. Bro. Falkof suggested that a letter of thanks be sent to Bro. Ralph Kaplan and to Mr. Krasnow for binding many Sidorim. Suggestion very nicely accepted. Bro. S. Saslavsky also suggested that a form of celebration be held on account of the refurnishing of the Shule and his suggestion was also accepted. A suggestion that a taller fence or it be rewired was not favorably accepted.

The minutes of the last regular ~~board~~ general meeting and committee meeting of Aug. 10, 1954 were read and approved. Chairman Kaplan of the building committee reported the talk he had with the janitor and in consequence the janitor left the job and Bro. Kaplan paid him in full. He also reported a leaky pipe in the basement which will be attended to. The new janitor was called in and was told of his duties. The seat committee will consist of Chairman I. Kaplan and the recording secretary and members that will give some time. The ~~financial~~ recording secy told the Board members about the ticket sale of last year and asked for ideas on how to get many people to pay for their seats for the High Holydays and after many ideas were thought of, there was none that was acceptable except a suggestion by Bros I. Gordon and I. Braverman to have two signs put up in the hall-way asking all that attend the services to buy tickets. In deference to the well-being of Chairman Hoffman, the meeting was cut short.

Special meeting Sunday Dec. 5, 1954.

A special meeting was called to order by Pres. Wm. Hoffman and 27 members were also present. The President told of the reason for calling this special meeting; that is for the purpose of getting the sentiment of the members regarding having only one minyon on Saturday mornings. The first speaker on the subject was Bro. J. Krim[illegible] who told of the conditions and facts as he sees them on Saturday mornings, saying that there were only 9 members of the Shule and the rest were Kadaishim and members of other Shules who came here because this was an early minyon and if they couldn't come here early then there would be a hard time getting a minyon. Other members including Bros. [illegible], Masters, Kravitz and S.

Saslarsky also spoke on the subject as they saw the situation. Bro. P. Krantz thought that a compromise of having one minyon at 7-30 might solve the problem. Bro. Saslarsky made a motion to have one minyon at 8 A.M. but it was not seconded. Other members gave their opinions on the matter. ~~At~~ President Wm. Hoffman asked Rabbi Kalman Lichtenstein to give his view on the matter, and the Rabbi said that according to the Law, it would be better to have one minyon, but when it became a case of losing patrons to the Shule, it would be best to leave the situation as it is or leave the matter in the hands of the members to decide. At this time Bro. J. Krentzman made a motion which was seconded by Secy Margolskee to have the minyons as they are. The President called for a hand vote and it was passed by a 15 to 7 vote, about 8 ~~more~~ members not voting either way. The President told of the general method of getting members to serve on ~~the~~ board of directors, but thought that he might get better results if he picked the board members himself. Bros. Shatzman, Madow, Wreck, Kulak and other members spoke on the subject, and it was left to the President to handle the situations and several members said that they thought that if the President changed his attitude towards ~~[illegible]~~ the people, it might help the situation. Bro. S. Saslarsky suggested that an accountant be employed to look over the books, but the President told him that the books were open at all times for any one that cares to look them over. The settlement by the Mystic Bridge Authority for the damage done the Shule was talked about, but the President gave them the information they were looking for. The President said that the settlement of the hurricane damage would take quite a while. Bro. Ralph Kaplow thought that it would be a great thing for the elderly people not to have to climb the stairs at the time of the holidays, by breaking through the walls of the Shule and building an addition in the yard, but his suggestion was not carried out. The President adjourned the meeting.

Hooker reported that nothing had been done on the roofing yet on account of cold weather and that the staging had not been completed, but with better weather the work will be taken up and that the bricks would be pointed. Chairman Hoffman reported practically on the same lines. Upon a motion by Bro. P. Kravetz and seconded by Bro. Hooker, the sum of 1,000 was sent to the contractor, J. Martinello, as part payment for work done. Even the bill from the Hurricane damage adjustor was read, which was $2,57?, and upon a motion by Bro. Hooker and seconded by Bro. Brown, it was passed to pay him $1,000 on account. Bro. Hooker said that the roofer will replace gutters that need replacing and all work that is necessary. Bro. P. Kravetz suggested that the roofer and contractor be asked to come together on a Sunday morning to meet with the committee regarding the repair work. The treasurer had nothing to report on the finances. Chairman Hoffman told of his talk with insurance agent Maurice Goldberg regarding back dues, but did not get a very favorable reply and will see him again. Through Thomas Goldberg came a report that Bro. Lewis felt peeved that he does not receive an order for oil though he was paying dues, and after a lengthy discussion on the subject it was decided to leave it as it is.

Several members spoke on the situation and Bro. P. Kravetz told of the oil situation recently while Bro. Hooker was away, and said that Hooker's son had taken care of the situation in a very satisfactory manner. Bro. Hooker spoke about an installation of officers, but it was tabled. Bro. Hooker suggested that a basket of fruit

be sent to the family of the late Bro. D. Kaplan, but it was not thought of very well. There was some discussion regarding the placing late Bro. Kaplans name on the memorial tablet, but it was passed by the board to have a clock put in the Shule where many could see it every day as a memorial to him. The motion was made by Bro. S. Kravetz and seconded by Bro. M. Derrek. There was a good deal of talk regarding the ~~Shamas~~ and Chazons contract as many felt that a change would benefit the Shule and a committee was named by the Chairman consisting of Vice-chairman Jacob Gordon, L. Olsen, J. Gordon, P. Kravetz, M. Stone, M. Hooker and the recording Secretary to consider the situation on Thursday night Feb 8, and it was then decided to retain the Chazon for ~~him~~ another year, which was agreeable to ~~the~~ Chazon.

Kravetz thought the work on the front was not necessary, yet there is a great deal of fancy work to be done on the front wall. It was suggested by Bro. J. Krentzman to do the work and Bro. P. Kravetz thought it would be best to get a figure for the work on the front wall. The Chairman also suggested that the work on the front wall be done. Bro. M. Hooker reported on a meeting with Mr. Gordon regarding insurance money, and though it was previously figured at $1578, it was settled for $1750. and the Shule was given the benefit of $65.82 more than previously settled for. Some more touching up had to be done on the side and back walls. Rabbi Kalman Lichtenstein suggesting making a partition on the upper floors making a more orthodox separation, but after a committee had inspected the situation, it was decided that a better way would be to have the women sit on one side and the men on the other side, leaving the center open only for Sabbaths. The Laundry bill was discussed and paid. Treas. M. Isreck, said he would not sign ~~and~~ any more checks at the bank and would not sign large checks without having been passed by the board. Chairman Wm. Hoffman told the board the reason for having the repair work done, was because it was an emergency and every days delay would make the condition worse. Bro. P. Kravetz suggested that in the future, any work to be done, should be with the consent of the board. Bro. Hooker said he talked with Mr. Segal about blue prints of the Chapel and, later gave them to a contractor, who ~~[illegible]~~ said it would cost $8200 ~~[illegible]~~ and $6,000 without a cellar. The question of the various

organizations using the facilities of the Shule without paying for the same was taken up and after a lengthy discussion on the subject, Bro. M. Hooker made a motion to the effect that various organizations using the Shules services, should first obtain permission from the President. This was seconded by Bro. L. Brown, and was passed by the body. The recording secretary was requested to send letters regarding the motion that was passed, to the Presidents of the Chevra Thas, Bas Tsion and the Womens Mizrachi Organization. There was some talk regarding the oil purchase situation, but nothing was definitely done about it. There was also quite a discussion about the bill for waxing the floors recently and Bro. M. Hooker said he would take care of the matter. All other bills were ordered paid.

Board meeting Monday May 21, 1956.

A meeting of the board was held this date with Chairman Wm. Hoffman presiding and the following also attending: Rabbi Kalman Lichtenstein, Vice-pres. Jacob Gordon, Treas. M. Yesrack, both Secretaries, and Bros. I. + P. Krantz, I. Brownman, Harry Steinberg, L. Brown, H. Zabell and F. Kligman. The chairman reported he saw Mr. Coleman of the Dacon Roofing Co. who said that he has an outstanding bill due him from the synagogue and in his opinion the leaky condition of the gutter was not the fault of the gutter but due to a faulty beam holding the gutter. It is thought that building chairman Mr Hooker has the contract to see if reparations can not be made. Rabbi Kalman Lichtenstein reported Mrs. Stone and Mrs. Lotter are ill at the Chelsea Memorial Hospital, to which ~~the~~ good health cards were sent to both. The chairman of the Board reported he had contacted the glazier who will take care of the windows ~~[illegible]~~. The floor waxing bill was taken up again and discussed and later Bro. H. Steinberg made a motion, which was seconded by Bro. I. Brownman to pay the bill. Many members spoke on the question and upon a vote of 4 for payment and 5 for not paying the motion was defeated. The vote was, for payment,

Bros. L. Brauerman, H. Steinberg, L. Brown and F. Kligman. for no payment were Bros. J. Gordon, J. + I. Kraritz, H. Zalot and M. Israek.
Bro. F. Kligman said that the vote showed that money should not be spent unless passed by the board, excepting in an emergency. Bro. I. Kraritz suggested that bids for oil should be had for next season. On new business Bro. I. Kraritz presented a motion to the effect that Gabi Krantzman be removed from his office, as he had not conducted the same in a proper and fitting manner. The motion was not seconded and after a great deal of vociferous language was used, Bro. Kraritz resigned as a member of the board and returned immediately. Bro. I. Kraritz also suggested that two Gaboim be had at the first minyon on Saturdays, but no further action was taken on the matter. He also made a motion to call a general meeting to thrash out the situation regarding Gabi Krantzman which was not seconded and not accepted by the Chairman. Rabbi Kalman Lichtenstein said his idea would be to invite both Gabi I. Krantzman + Bro. I. Kraritz to discuss the strained relations between them for the advantage of the synagogue, and he suggested that a committee be formed to handle the situation. On this committee are Rabbi Kalman Lichtenstein, Bros. F. Kligman, and Treas. M. Israek. Bro. M. Israek said he would see Bro. Krantzman and try to get a favorable situation to the problem. There was much angry discourse on the tense situation as a result of which the Chairman left his office and Vice-chairman Jacob Gordon appointed Treas. M. Israek to conduct the rest of the meeting. A motion was made by Bro. Kligman and seconded by Bro. L. Brown to abolish the first minyon on Saturday was not put through.

Board meeting Monday June 4, 1956
Chairman Mr. Hoffman presided at this meeting and the following also present, Vice-chairman Jacob Gordon, Rabbi Kalman Lichtenstein, Treas. Mr. Isrick, both secretaries and Brothers Gellefshuk J.B. ..., L. Shapiro, P. Krantz, J. Cohen, S. Brown and M. Hooker. The record of the last board meeting was read and accepted after Treas. M. Isrick had spoken about the members names being read who had voted on the floor regarding bill. Mrs. Sawlovsky, Pres. of the Bas Tsion, gave her reason for not being able to give the Shula more money for the use of the hall for meeting and other occasions. She gave $5. at this time and will try and give more at a later meeting date. Her explanation was that there was poor attendance at her meetings. A woman representing a relative in Israel spoke briefly on her case. It was to get a donation to start a foundation for a building in Israel, and after Rabbi Kalman Lichtenstein had read the letter, $3. was donated from Mr. Fingers acc't to be repaid by him and $2. was donated by Chairman Hoffman and Bro. M. Hooker. The chairman presented the Shula with $6.0 from the Chevra Tillim. Both Mrs. Stone and Mrs. Cohen were reported at home feeling better, also Bro. Sam Krentzman. Treas. M. Isrick reported he had spoken to Gabi Joe Krentzman and that Bro. Krentzman would not attend any meetings asked for by the Board or other-wise. There was further talk on the matter and the Chairman said it would be better to drop the entire matter. The chairman reported to the board that he had spoken to Mr. Coleman regarding the leaky gutter and said that in his opinion the condition was caused by a faulty supporting beam. It was the opinion of

the Chairman and Bro. Hooker that there is no guarantee for that work. On account of the unwillingness of Chairman of the building committee M. Hooker, to continue in that capacity, Chairman Hoffman will take care of the situation. Mrs. Sarah Hoffman presented a bill for $50. for table cloths which was paid. The floor waxing bill was brought up again and upon a motion by Bro. A. Browne and seconded by Bro. Shefchak, it was voted 6 in favor and 2 against to pay the bill. Chairman Hoffman said that when it is repaired satisfactorily, he would receive the balance due him. The chairman will also see that the fence is repaired and the trees. Mr. Handlin, a plumber, is repairing the ~~sewer pipe~~ condition caused by the drain overflow into the sewer pipe. Quite a discussion took place regarding the differences between Jake Brown and Bro. Jaslawsky as to who should officiate at the services. The situation will be eventually cleared up through the religious committee. Bro. L. Board meeting Monday July 11, 1956 - Chairman Wm. Hoffman presided at a short business meeting held this date and the following also in attendance, Vice Pres. Jacob Golden, Treas. M. Garrick, both secretaries and Bros. J. Kravetz, Sam Cohen and L. Brown. The record of the last board meeting was read and approved. Chairman Hoffman reported that the roofer looked over the building and saw many loose shingles and also saw the mortar being loosened where the bricks had been pointed and he said that in his opinion these defects had been caused by the vibration of demolishing the part of the road connecting with the Mystic River Bridge, also by heavy trucks on the bridge road. A representative of the city department looked over the situation regarding the back flow of water from the sewer system and he will try and trace the trouble, to find out who is responsible for the condition. The chairman also reported that the janitor is painting the fire escape and fence, a new piece of wire fence and wire on top of the fence (wall) cost $18. The Lewis steps on the front of the building were reported to be in poor condition and will have to be repaired very soon. There were several important subjects to be talked about, but as there were not enough members present, it was decided to call a special meeting for Monday night July 30, 1956.

Special body meeting Monday July 30, 1956

by J. W. Horne.

Date		Folio	DEBITS	Date		Folio	CREDITS	Dr. or Cr.	BALANCE

This meeting was opened by Chairman Wm. Hoffman
and present were all the officers and 26 members
inclusive. Before the minutes of the previous
were read, the chairman addressed the body,
explaining to them the reason for calling this
special meeting, that is there were three
important questions to be taken up, namely -
(1st.) there was some talk about the question of
an increase for Cantor Goldberg which was
presented by Bro. L. B. Brown, and which was not
acted upon because of not enough board
members present at the previous board
meeting, (2nd) the bad condition of the roof,
and the [illegible] loosening where the
bricks had been pointed recently and which
the roofer from the Bacon Roofing Co. said,
that in his opinion was caused by the
vibration of demolishing a part of the Mystic
River Bridge at Fourth St. and (3rd) to seek
co-operation of the members for service at the
Cemetery during the month of Elul. The
record of the last board meeting was
read and accepted. At this point the
Chairman told the body that he would not
conduct any business until he had been
given a vote of confidence. There was no
motion forthcoming on the chairman's
proposition and this led to a great deal of
personal abuse, both toward and from the chairman
and some of the members, which led to the
chairman asking again for a vote of confi-
dence, which was not accorded him.
The chairman claimed he was not getting
the co-operation of the board members
as he should get, as he had to take care
of building repairs, plates for the tablets, and
the business of the cemetery. The names
of the board members were read, showing
how many had attended the meetings of
the board so far this year, about which
there was a great deal of talk which did
not accomplish anything, it being the thought
that the chairman wanted to get new
members for the board, but nothing came
of it. Many of the members spoke and
gave their opinions and suggestions on how
to improve conditions between the chairman
and some of the board members and after
a number of personal controversies were

held between the chairman and members of the board and of the body, Bro. P. Kravetz verbally resigned as a member of the board, giving his reason for so doing. At this time Bro. I. Kravetz made a motion to adjourn the meeting, which was seconded by Bro. P. Kravetz, but was not carried through. Bro. Saslavsky spoke on the reason the President had to do so much work himself, because the chairman did not have the co-operation and confidence of the board members. Bro. S. Krentzman suggested that the chairman pick 10 new members for the board, but nothing came of it.

Bro. P. Kravetz read a communication from Chazon Goldberg asking for an increase of $10. a week in his salary, to compensate him for the $500. out he ~~took~~ this past year. A great deal of talk on the matter was had and many suggestions were given the subject. Upon a motion by Bro. I. Kravetz and seconded by Bro. Harold Krentzman it was passed to give Chazon Goldberg the $10. a week increase until his contract time in March of 1957. The suggestions by Bros. J. Krentzman and P. Kravetz to appoint a committee to talk to the Chazon, thereby trying to get the Chazon to take a lesser amount was not thought much of.

Meeting adjourned.

Special emergency Meeting Monday Aug. 6 - 1956.

More than 30 members attended this meeting which was opened by Vice-chairman Jacob Gordon, who called the meeting and he explained to the members the reason for this meeting, to see that the discord that has prevailed for some time should be done away with, in respect to the Shule, the Rov and the members, and that harmony should be the work of the members. He then turned the meeting over to Bro. J. Krentzman who asked that the minutes of the previous meeting be read, which was done. Bro. I. Kravitz said that the minutes should be taken off the record as there was no meeting in the proper form. Acting chairman Krentzman told him that we had conducted business that meeting and that the minutes should stand as they are. Upon a motion by Bro. S. Saslavsky and seconded by Treas. M. Zwick

the minutes were accepted. The chairman said that ~~the~~ ~~Presid~~ Chairman Hoffman of the board of directors ~~advised~~ told him he would not return to his duties until one member of the board has been eliminated. Not wishing to be a hindrance to the well being of the Shule, and as an act of courtesy and respect to the Shule, Bro. J. Kravitz resigned verbally as a member of the Board of directors. His resignation was accepted by the body. A duplicate letter of the settlement of the Mystic River Bridge case in favor of the Shule was read by Bro. Alexander Finger, who became a new member of the Synagogue to-night, who praised Bro. J. Kravitz for taking the course he did to-night to bring harmony to the Shule, and Bro. J. Kravitz was given a rousing bit of applause for his act. A motion was made by Bro. Finger and seconded by Bro. J. Kravitz to insert in the record of to-nights meeting the fact that the letter from the Mystic River Bridge was read at this meeting. Bro. Finger told the body that one of the reasons for his becoming a member was to try and bring peace and harmony in the Shule. The recording secretary asked the members to offer their services to Chairman Hoffman on the cemetery during the coming month of Elul. The meeting was closed by acting Chairman J. Krentzman.

The president again thanked the members for their co-operation and hoped they would continue so in the future. The chairman said that he thought it would be to the advantage of the Synagogue to have an advisory board of 3 members of the Shule to make inquiries and bring in recommendations regarding business transactions of interest to the Shule. On the committee are Alexander Finger-chairman Nathan Fibock and J. Krentzman. The secretary was asked to write to the committee, advising them that they had been appointed by the chairman. Several members have volunteered to help in the sale of seats for the High Holydays also to help him at the cemetery. No one was reported sick. The chairman thanked Bro. I. Braverman for his fine contribution of machzorim for the High Holydays in memory of his late wife. Bro. Zabot asked about the functioning of the finance committee and was told that the present committee had not done anything and the matter would be taken up the first of the year. The Shamos was requested to see that the hall up stairs is cleaned up for the High Holydays. Seat holders will again be taxed this year as in previous years.

There was $952 reported as seat sales and $200 outstanding. The entire body of the board members volunteered to help out at the appeal on Yom Kippur night and the Chairman will outline this appeal by telling the audience of the large over-head and the small income. Bros. Zabot and Shefshick suggested practically the same general idea. The committee will take care of the refreshments for Simchas Torah as they have done in the past. The chairman reported that his physical condition demanded a complete rest from social activities and that the body should elect a temporary chairman while he was away. A typewriter will be bought by the Cemetery association for the use of the Cemetery Association and the Shule. The Chairman advised the members that he had contacted Atty. Ernest Gordon, who will confer with the advisory board to study the case of the damaged roof. Bro. Zabot expressed his idea of closing the main hall because of the weakened ceiling condition, but was told that the danger didn't seem to be imminent. Bro. M. Hooker asked that the doors of the Chapel be painted as soon as possible, as the winter storms could damage them. Bro. Zabot donated $5. to the Shule in appreciation of the Rabbi visiting Bro. Kopel Zablotsky and blowing the Shofar. The sum of $64. was taken from the safe and put in the general fund.

Board meeting Monday Sept. 24. 1956.

A short business meeting was held this date with Treasurer Morris Isreck acting as chairman and the following members also in attendance - Rabbi Kalman Lichtenstein, both secretaries and Bros. Myer Stone, Hyman Zabot, Sam Cohen; I. Braverman, M. Hooker and Harry Steinberg. The record of the last board meeting was read and approved. Rabbi Kalman Lichtenstein and Bros. M. Stone and M. Margolskee reported they had visited Bros. Wm. Hoffman, L. Brown & Harry Krantzman. A get-well card was sent to Mrs Bessie Krasnow. The insurance bill of Mr. Goldberg was discussed and upon a suggestion by Bro. M. Hooker it was decided to pay ½ of the bill at this meeting. It was also decided to send bills to those people who owed money for the seats for the High-Holy days. The gift mentele received by Rabbi Kalman Lichtenstein from the Zion Talis Co. of New York was turned over to Shamos Goldberg. Rabbi Kalman Lichtenstein asked of the members the reason why rumors of dissention and dis-satisfaction in the Shule had reached him through channels out-side of the Shule. Treasurer M. Isreck told the Rabbi that his opinion of not favoring an increase had been broad-cast through-out the city, when it should have been kept in the board room. Secy Margolskee told the Rabbi that many members held the idea that had the Rabbi used his influence on many of the young men that came in to say Kadish, he may have enrolled some new members. The Rabbi replied that he had interviewed many of the young men, including Mr Braverman's sons and

did not receive favorable replies to his consideration. The Rabbi broached a subject that he thought might in a way help strengthen the Shules membership and that was to open a branch of the Shule in the Prattville district and said that if the matter was thought of favorabley, he and other members would talk of the matter further. At the next meeting the subject will be talked about further. The Rabbi also told the members that efforts should be made to get the boys of the Young Israel to resume their services in this Synagogue, there-by bringing them in closer contact with the Synagogue and also to bring them in as members eventually.

General meeting Sunday Dec. 30, 1956.

About 40 members attended the general meeting held this date with Temporary chairman Morris Isreck presiding. A minute of standing in silence was held for the past-president Wm. Hoffman and Bros. Benj. Korim, and Kopel Zablotsky. The minutes of the last board meeting were read and accepted. All the officers were present and Bros. Meyer Stone, Louis Brown, Eli Smith, Alec Slotnik, Louis Shapiro, Harry Steinberg, Joseph Leader and Morris Hooker of the board were also present. The temp. chairman reported that he and ~~Attorney~~ ~~Ernest~~ Wm. Gordon had conducted an intensive investigation on the condition of the entire building and had found many defects, particularily loose shingles, broken gutters, ~~and~~ loosened and cracked walls, holding to the theory that the damage had been done by the vibration caused by the breaking of the wall of the over-pass at the 4th St. side. The matter was taken under advisement for further deliberation and possible suit. Bro. Hooker reported that all the windows and fixtures had been attended to. All bills were paid. Bro. P. Kravitz inquired about the rain water seeping into the board of directors

room, owing to the faulty gutter and was told by the acting chairman that it was taken into consideration by Atty. Ernest Gordon.
The question as to how the chairman of the board was to be elected was then taken up, some holding to the by-law that the chairman should be elected by the board-members and others thought that the by-law should be suspended and the chairman of the board should be elected by the members of the Congregation. After a good deal of discussion on the subject a motion was made by Bro. Joseph Krentzman and seconded by Bro. M. Hooker to suspend the by-law pertaing to this subject and to have the chairman of the board elected by the body. Bro. Joseph Leader asked for more spefic and detailed information on the motion and was given the necessary information by the Temp. chairman. A little confusion resulted from this motion and another motion practically the same was offered by Bro. Alec Finger that the by-law pertaining to the election of the chairman of the board of directors be suspended and that the chairman of the board should be elected by the body at this general meeting. This motion was seconded by Bro. Joseph Krentzman and was passed by the majority of the body.
Nomination and election of officers for the coming year was asked for by Bro. J. Krentzman. For President, Bros. Louis Shapiro and Louis Brown were nominated, but Bro. Brown declined in favor of Bro. Shapiro. Vice-President Jacob Gordon, Treas. Morris Isrock, Fin. Secy. Mrs. Locke and recording secretary Maurice Margolskee had no opponents and after Bro. Alec Finger asked that one ballot be cast for the fore-going officers, it was so done and ~~the~~ Temp. Chairman Morris Isrock declared them legally elected. The financial secretary will resign but will stay on until a successor is appointed.
Nominations for the chairman of the board of directors was asked for by the Temp. chairman and Bro. J. Krentzman, Morris Isrock and Phillip Kravitz were nominated. Bros. Krentzman and Kravitz declined the honor. Bro. Leader said that in his opinion it would be quite difficult to nominate 20 members of the board at this time. Bro. Harry Steinberg said that he thought it would be too secretive for the chairman of the board to procure

~~to~~ the board members. Other members spoke on the subject and Mrs. Sarah Hoffman said that from what she had heard at this meeting, that it would be for the best interests of the Shule to forget what had happened in the past and all work to-gether for a good administration at this time a motion was offered by Bro. Alec Finger and seconded by Bro. J. Krentzman that the by-law regarding the election of the directors and the number to the said board be suspended and that the Chairman of the board be empowered to appoint the afore-said members of the board and in such numbers as he may think necessary.

Bro. Saslawsky offered an amendment to the fore-going motion that the old method of electing board members should be adhered to. This motion was seconded by Bro. Perkens. A vote was taken on the amendment and only 3 of the body were in favor of the amendment, which was not passed. On the original motion a majority vote carried it through.

On further business and for the good and welfare Bro. Phillip Krantz asked that the first minyon on Saturdays should be attempted to be continued and Bro. Krentzman told him that he and others will attempt to continue the same. Acting Chairman Morris Israel handed the gavel to the incoming President Louis Shapiro, who was accorded a rousing amount of applause and congratulations.

Board meeting Sunday Apr. 21, 1957.

Chairman of the board Morris Israel opened this meeting with Pres. Louis Shapiro, Vice-Pres. Jacob Gordon, and Bros. Louis Rosenblatt, Joseph Leader, Eli Smith, and both secretaries attending. The minutes of the last board meeting was read and approved. Get well cards were asked to be sent to Samuel Saleof and Harry Kaplan's daughter. The changing of the thermostat was explained by the chairman and showed it to be to the advantage of the Shule. A suggestion by Bro. Louis Rosenblatt regarding the creating of life memberships in the Shule was talked upon at great length, and was put on the list as one of the subjects to be talked upon at the general meeting. It was also thought a good idea to only charge the life members $6 a year dues after having paid for their life membership. If the project goes through, then Bro. Eli Smith will have the honor of being the first life member. There also was a great deal of talk about making M'shabarachs, after the raise in dues goes into effect, which is also one of the subjects to be talked about at the general meeting. The raising of dues was felt to be absolutely necessary for the benefit of the Shule. The Pres. ordered a general meeting to be held Sunday May 5, 1957 for the purpose of the above two subjects and also to talk about re-organizing the cemetery corporation, and also regarding the seating of the women

many years, as they should have been, to keep in line with the increased cost of the expenses. Treas. Isreck and others thought it would hurt the shule to raise dues, but to try and raise funds for the Synagogue some other way. Bro. Vaslavsky said he thought it would be fair to raise the dues to $25. but not to have any Aliyas, and also said to cut expenses, but he did not mention any specific items to be reduced. Many other members also spoke on the subject. A motion was made by Treas. Isreck, which was seconded by Bro. Smith not to raise the dues at this time was accepted by the majority.

Leader said to have life membership, ~~but~~, the money not to be used for current expenses, but the money to be invested and the interest to be used for expenses. A motion was made by Treas. Isreck and seconded by Bro. Rosenblatt to have life membership for $100. pay the regular dues till the life membership is paid up and then 1/2 the ~~amount~~ dues there-after, at the rate ~~per~~ the time the life membership is paid up. This was passed by a majority vote. Those wishing life membership were President Shapiro, Treasurer Isreck, and Bros. Leader and Rosenblatt. A suggestion by Brother Shatzman that past dues bills be given to the Shamos for collection was answered that the idea is being done at the present time. Cantor Goldberg told the body that he thought he could procure 3 boys to help out at the High-holy day services for around $150.

This general meeting was called to order by Pres. Louis Shapiro. Representatives of the Ladies Auxiliary that came to this meeting to talk about the 50th anniversary in conjunction with the members of the Synagogue and members of the Brother-hood. The meeting was opened by the reading of the record of the last board meeting, and the financial statements of the last two meetings. The records were approved as read. About 35 members were present. Bro. Berg objected to the reading of the records, because he said the meeting was called only to talk about the 50th anniversary. A good deal of discussion was had on this matter, and upon a motion by Bro. Eli Smith and seconded by Bro. Brooker it was passed by the body to have a 50th anniversary celebration ~~and at~~ Mrs. Ida Kravitzman that if the members thought the Shule was not big enough to take care of the people that would come to the celebration, then the Hebrew School, hall could be obtained. Bro. Harry Steinberg said that he thought that around October of next year would be a good ~~time~~ to have ~~the~~ affair, and that the ad. book would be a great money maker for the Shule. Others thought the affair should be had much earlier, around Shavuos time, as Bro. Shotzman suggested. Bro. Saslavsky said his idea was to run a show, but Mrs. Kravitzman and Mrs. Hoffman showed the members of the meeting that it would be a great deal of work involved and very small results would be had. Pres. Smith of the Brother-hood said that this affair should be a combination of a banquet, celebration and a money making affair. Bro. I. Kravitz also thought that a show would be a good thing. Other members also spoke on the matter. Rabbi Kalman Lichtenstein said that too many ideas might be too confusing, and that a steering committee should be appointed and that committee should appoint the various committees to handle the project. Bro. I. Kravitz suggested that a Breakfast meeting of the Shule members, Ladies Auxiliary and Brother-hood members should be held to formulate plans for the

Minutes were read by Mr. Friedman and approved.

A question was raised by Mr. Hecker as to whether or not we were right in granting a two dollar raise to the Rabbi. He was ruled out of order as it was passed last meeting and it was a law.

A motion was made by Mr. Friedman to raise the salary of the shammas [illegible] per week. It was brought out that the quorum was not present and it could not be voted on.

Discussion was brought up as to whether or not the Rabbi is doing his best to gain new members. It was brought out that the Rabbi does not go about to Kaddish sayers and ask them to join as new members.

In reference to putting the shammas on a straight salary, it was brought out that the shammas would not have an incentive to go out and collect money. The matter was tabled until next meeting.

Bills were read and approved.

Meeting was adjourned at 9.35 P.M.

The meeting was called to order at 10.30 A.M. by Louis Shapiro, Acting Chairman. The minutes of the previous general meeting of Sunday December 28, 1958 were read by Acting Recording Secretary Sydney Freedman, and were approved.

Roll call showed the following members present: Mr Louis Shapiro, Mr J. Gordon, Mr M. Stone, Mr M. Rubin, Mr J. Leader, Mr S. Cohen, Mr S. Spiegel, Mr H. Steinberg, Mr A. Shatzman, President Elect Brown, and Acting Secretary Mr S. Freedman.

A comment was made by A. Shatzman about some remarks made by the Rabbi concerning discontinuing of shnoders on Saturday. It was brought out that this is not a matter which comes under the Rabbis jurisdiction, and that it further should not be brought up at the meeting as it was a law as far as the Board of Directors are concerned.

Mr. Joseph Leader was appointed as Chairman of the Board. He accepted and was congratulated by the other members.

The question was brought up about an installation ~~of~~ for the new officers, to be held in conjunction with the Brotherhood and also the Jubilee Banquet.

The question was brought up as to the kind of banquet which should be made. Due to the fact that we are going to combine all of the ceremonies it was decided we should do it up right. It should not be just a buffet lunch, as we have a few dollars from the add book. Mr. Shatzman suggested that a dairy supper be made, and that this should be very satisfactory. It would be the least costly, and we could use our own facilities. We would not be obliged to hire a hall. This was agreed upon and the date was set for the first week in March, most likely on a Sunday night.

A committee was appointed consisting of Mr Brown, Mr. Steinberg, Mr. Spiegel, Mr. Leader, Mr Shatzman, and Mr Rubin. They will take care of all arrangements.

Mr. Jacob Forman was appointed as a new member of the Board of Directors.

Bills were read and ordered paid.

A question was brought up about the bank account we have in the Cambridge Bank, as to the amount of interest we are receiving. Mr. Shapiro was appointed to get the interest marked in the book so that we could see how much interest we are receiving.

A suggestion was made by Mr. Shapiro that the cemetary corporation and the shule be made one corporation, for security reasons, for example, to keep the cemetary from becoming separated from the shule, which has happened in the past. The suggestion was that the cemetary should be put under the directorship of the same board of directors as the shule. This matter was tabled for a future meeting.

The financial statement was read and approved.

The meeting was adjourned at 11:45 A.M.

Board Meeting, Sunday, January 25, 1959

The meeting was opened at 9:45 A.M. by Chairman Joseph Leader. Members present were: President Mr Louis Brown, Chairman Joe Leader, also Meyer Stone, Louis Shapiro, William Barron, William Perlman, Morris Isreel, Ralph Kaplow, Harry Steinberg, Philip Kravetz, Israel Kravetz, Alek Shefshick, Al Finger, Sidney Friedman, Morris Hooker, A. Shatzman, Mr. Zabot and Louis Rosenblat.

An introductory speech was made by Chairman Joseph Leader, outlining the responsibility falling upon the Board members. Among the points he stressed were:

Newer methods for announcing board meetings - such as circulars.

Attendance is most important, due to the fact that not enough members vote on important issues.

Standing committees will be appointed, such as auditing committee, building committee, etc., and their duties were outlined.

A house committee should be formed to acquaint members of illness, deaths, weddings, etc. pertaining to our members.

The method of elections or appointments should be changed due to the fact that some day we will appoint or elect someone who has not got the shule at heart. A sisterhood should be formed. Consolidation of the Shule and Cemetary should be acted upon. Action should be made relative to the High Holiday. Increase of ticket sales should be kept in mind. We should not wait until it is too late. A Budget must be set up and adhered to. We cannot be dipping into our reserve funds. Mr. Leader stressed the fact that we must cooperate and for our very existance we got to help each one in his own way.

At all our Board Meeting we will [illegible] Brotherhood subjects as we do not wish to terminate the activities of our Brotherhood.

A question of buying new tables for our use and the Ladies Auxiliary. We must buy them due to the fact that our tables are too far gone to be of practical use. A suggestion was brought up by Phil Kravetz saying that the Ladies Auxiliary should be contacted and that they would donate a good portion of the costs. A question brought up for making our own tables was deemed not feasable. Israel Kravetz suggested that the Rank Staff of the K of P be contacted and that they would probably donate toward the cost of the tables. A motion was made by Pres. L. Brown that we purchase ten tables for the time being. It was voted unanimously to purchase ten tables right away.

Mr. Shatzman reported that he would not be able to accept his duties as Treasurer due to the fact that he faces surgery in the near future. Harry Steinberg agreed to accept the Treasurership once again.

The Banquet reported that the dinner would cost $5.00 per person with waiter service. The caterer will be Celia Burkm. The cost per ticket was discussed.

Moris Isreal reported that a cost of 5.00 per person was too much as the poor old men who attend Shule every day would not be able to attend. If a Banquet is made it is made for the Shule members not outsiders. He said that in his opinion a low cost supper be made for all who may want to attend.

Izzy Krantz brought up a question asking how come all the affairs be condensed into one large affair. Minutes were read from previous meeting and it cleared up most of the questions asked & were going to be asked.

Al Finger suggested that Mr. Shapiro's installation was a perfect example of what we should serve. It was disclosed that Mr. Shapiro went to a lot of personal expenses at that time and the shule still lost money. The fact was brought out that the affair was in the hands of the Banquet Committee and it is in the actual stages of being made ready. Tickets are printed and it was agreed that the Banquet Committee go ahead with their plans.

The question of Board of Directors was brought up. Izzy Krantz made a remark saying that the Board be elected not appointed. It was brought out that due to the fact that the membership has declined to a low level the President has been appointing Board members for the past few administrations and we will allow this method to continue.

Mr. Perlman name was brought up. A question as to whether or not he was a member of the senior congregation. He was questioned and stated that he will join the shule as a member.

Bills were read and ordered paid. The bill submitted by Charlie Hamdlin was ~~read~~ questioned. The amount was deemed as too much and it should be adjusted. The Shamus called Mr. Hamdlin in when an emergency arose due to a frozen pipe that had burst and he thought water damage would occur. V. P. Mr. Feader took the bill and stated he would get it adjusted.

The minutes of the previous meeting were read by Acting Secy S. Friedman and were accepted.

The Cemetery Corp donated \$1,000.00 to the shule to be used for its activities.

The meeting was adjourned at 11:45 A.M.

Sidney Friedman Acting Secy.

Meeting of 7/6/59

Meeting was opened at 9⁴⁵ AM by Chairman Joseph Leader. Members present were President Louis Broyn, Meyer Stone, Sam Cohen, Al Finger, Sidney Friedman, Morris Horker, Louis Rosenblatt, Louis Shapiro, Sidney Spiegel, Harry Steinberg, William Baron, Phil Kravitz and Alex Shofstick.

Minutes were read by the secretary and were adopted.

Rabbi Lichenstein reported that Mr. Max Wolfson a member of long standing is a patient at the Jewish Memorial Hospital, Vice President Gordon is convalescing at the Centre St. Convalescent Home and should be home in a week or so. Mr Sashinsky is a patient at the B.I. Hospital. A new tablet was made for the Spiro family and a bill should be sent to them.

The Building Committee chairman Morris Horker reported that the leak in the roof was fixed and a new lock installed in the front door. There is a lot of work to be done and most of it must wait until spring weather.

Chairman Leader stressed the fact that the Budget has not been set up for the Building Committee and until money has been allotted we will have to wait for a lot of necessary repairs.

Various items were reported on and plans were made to act upon them.

A plea was made by our Rabbi to have something done about our kitchen. The Building Committee reported that a new linoleum and new stove should be installed. Mr. Horker remarked that we should not depend too much on our Ladies Aux. as to date we have received nothing from them except their annual donation.

Mr. Horker reported on a serious condition that developed in our large oil tank. A leak was discovered in the line leading from the tank to the burner. A small tank was installed temporarily to bypass the large tank. There are 1600 gals of oil in the large tank that we can not use. As soon as the weather permits Mr. Horker will see to it that this condition is repaired at no cost to the shule. A large oil bill will be forthcoming due to this condition.

The bill submitted by Charles Handlin for emergency plumbing was ordered paid.

Chairman Mr. Leader commented on the marvelous work being performed by our Building Committee Mr. Horker & Mr. Phil Kravitz.

Insurance carried by the shule is in deplorable condition. Our insurance agent Mr Goldberg was contacted by Mr Leader and he said he would be most happy to come to one of our meetings and give us a report on all our insurance and also give us some suggestions on condensing some of the policies.

The Banquet Committee reported that ~~Dr.~~ Dr. Norman Rosenblatt would be guest speaker and Atty Al Finger would be Toastmaster. Mr. Sheldon Weinstein will be our entertainer for the evening. Finance for the banquet was brought up by Chairman Leader who remarked that although he was in the hope we not lose any money on the affair, it was running close. We were informed that a 5% tax would be imposed and with the tip plus hiring chairs and racks for checking we will certainly be very close if not a losing proposition. Taking all these things into consideration we must plan an idea for money raising.

a cake with ~~100~~ 50 candles or a circular for Jewels be placed on the tables. Going into the red should be expected and if we do it should not be deemed a failure on the part of all concerned. Mr. Leader suggested that we all work a little harder and we will not be in the red. Various plans for liquor and seating were discussed. A plan was was brought up to invite all the "Old timers" such as Mr. Wolper, H. F. Smith, Mr. Stoller ~~&~~ Mrs Hoffman etc as they were the founders of this shule and should be shown this honor.

Memoriam Service should be held for Mr. Margolskee or any members passed away during the past year.

The duties of the late Mr. Margolskee were discussed. Mr. Sidney Friedman has consented to be present at all Board Meetings and take notes for the minutes. The duties of sending out circulars etc were given to Mr. Maurice Brand.

Chairman Leader spoke in brief about our membership. He suggested that we all try and bring in one member each. Every Jew must belong to a Shule and although it is a remarkable fact many Jews do not belong to any Shule at all. It should not be too difficult a job to double our membership. In the near future we should contact our friends or relations and see if we cannot get them to join our shule.

Bills were read and ordered paid.

Various plans were heard to augment our membership. An idea was suggested by Phil Krantz that a list of all members be posted on a board and be made public.

The Rabbi and Shamus should be the salesman who are to contact the potential members when they are here to say Kadish for the eleven month period. Plans were made along these lines to sit down with the Rabbi and Shamus and instruct them to approach these people. The fact remains that they are the ones who have more at stake in the membership drive. They should extend themselves a little more to get more members into the fold.

Mr. Steinberg brought out the disclosure that the method of bookkeeping here is in terrible shape. He was billed for two years dues. He has receipts to prove that all he owes is one years dues. Mr. Goldberg was questioned and he stated that he bills from Jan 1 - to Dec 31st. Mr. Brand also reported his books are kept on that calander basis also.

Mr. Leader stated that he has plans to form a Finance Committee. The statement was read and approved. A deficit was noted and it was suggested that this is one good reason for a Finance Committee.

The Meeting was adjourned at 11:35 AM
